[Be Ember Aware and Learn about Fire Safety, May 5 @ SNC](#)

Posted on May 2, 2009

Filed Under [North Shore Events](#) |

Nevada Wildfire Awareness Week is May 3 through 9, 2009 and is dedicated to promoting awareness, understanding and action concerning the threat of wildfire in our communities and ultimately our homes through a coordinated, multi-organizational effort.

This year, the goal is to inform the public of the threat to their homes posed by burning embers during a wildfire. “Be

Ember Aware!” and make changes now to reduce the risk of your house being ignited by a burning ember.

On May 5th in Incline Village, the Nevada Fire Safe Council, North Lake Tahoe Fire Protection District and University of Nevada Cooperative Extension will be hosting a presentation of “Living With Fire” DVD with time for discussion and Q&A. FREE “Living With Fire” DVD’s will be available after the presentation.
